RE: Micro and Small Enterprise Development and Building Alternative Livelihoods for Vulnerable Groups Project Concept Note

The GRIF Steering Committee has, on the 13th October 2011, through electronic communication to the Secretariat, approved the project concept note for the Micro and Small Enterprise Development and Building Alternative Livelihoods for Vulnerable Groups Project and allocated an amount of US\$ US\$127,476 to the IDB in administrative fees for project proposal preparation.

The approval of the project concept note and administrative fees for project proposal preparation by the Government of Norway is included in Annex 1. The approval by the Government of Guyana is included in Annex 2.

The Steering Committee, through the Secretariat, hereby requests the Trustee to issue a letter of commitment for administrative fees for project proposal preparation to the Partner Entity for the requested amount.
